

# Finger Scale

Punch chicago screw hole for top finger scales only (10 total)

Make 48 Scales  
for default size,  
add or remove scales  
to adjust finger length.

Make 10, Trim to ideal finger length.

Suggested Finger Scales Per Finger:

Thumb: 4

Pointer: 5

Middle: 6

Ring: 5

Pinky: 4

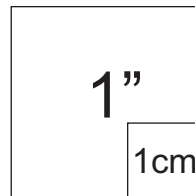

For larger or smaller hands,  
add or subtract as needed.

See video tutorial for additional details

## <Finger Loop Example

If making finger loops,  
make a long thin strap  
and trim to fit each finger.

See video tutorial for  
detailed instructions.

(@100% scale)  
Scale your patterns up  
or down as needed)
