"The Bellis Coat"

Unisex Sizes 32 to 56

Formatted for both
US Letter & A4 Paper

Trimless Option: This is the fastest! No trimming needed! Place left-side margins over right-side margins, overlapping dashed lines and dots. In the same fashion, top margins will overlap bottom margins. Slight unprinted gaps are normal for this method.

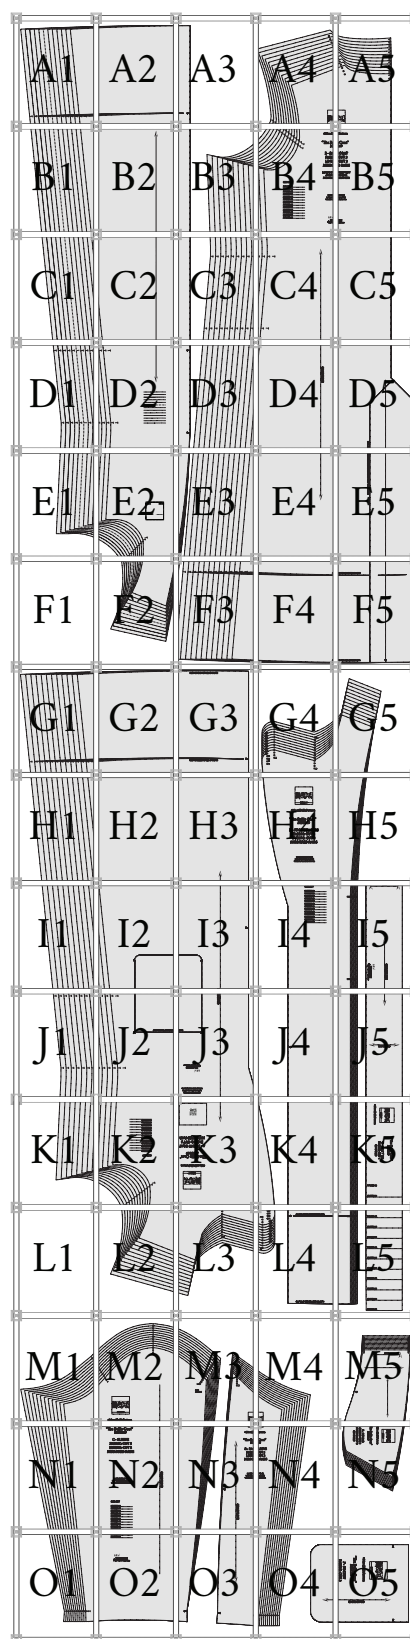

Trimmed Option: This removes any unprinted gaps. Trim along the top and right margins at the dashed lines. Overlap the trimmed margins to the untrimmed margins, matching dashed lines and dots.

Tip! Build rows first, then join the rows together as you go.

The Mood square to the left should measure 2 inches.

Fitting notes: Drafted for woven fabrics of substantial thickness. The fit of this coat is a boxy, oversized fit with approximately 10" of extra ease for the bust/chest area. Unisex sizing: choose size according to your desired finished garment measurements and blend between sizes as needed. As a best practice, sew a test garment to evaluate the fit for possible adjustments.
